

C.A.T.A.S.T.R.O.P.H.E.

Campaign Against Tyranny, And Subjugation of Terrorizing Ruling Over Parasitic Hegemony and Enslavement

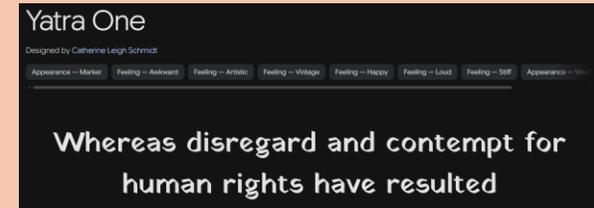

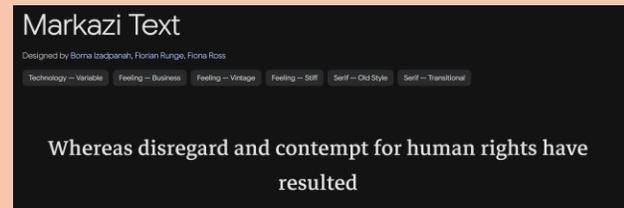

The logo design is an evil looking cat but not too evil on top of the title of this organization. The tail of the cat forms the "C" of CATASTROPHE. The title should never be changed; this logo is a mixture of the entire chosen color palette.

Color Palette: This will be the set color palette of the website, something not to menacing.

A sketch of the button for the main navigation buttons. I want this website to be very satirical which is why I believe these buttons are welcoming maybe to get "crazy cat people" to click on them.
